HOW TO BUILD A GREAT PROFILE

Here are some helpful tips to make your STEM Premier profile awesome.

*Earn your star rating

Earn a 1-5 star rating based on the overall strength & completeness of your profile.

Upload a profile pic

Colleges and companies want to see the face behind your talent!

Add scores & interests

Show your aptitude and indicate what career fields you want to explore.

Shine with videos

You're more than grades - show personality, skills, and involvement with videos!

The screenshot shows a profile for Taylor Rhodes, a student at Fort Dorchester High - SC. The profile includes a 4.5 star rating, a 3.17 GPA, 28 ACT score, 5 active workkeys, 2 PLTW tests, and 5 skills. It lists various accomplishments such as AutoDesk-AutoCAD Certification, Microsoft Office Certification, National Honor Society, and Future Farmers of America (FFA). It also shows digital badges for FFA, SME, and PLTW. The Career Interests section lists Robotics, Leadership, and Problem Solving. The Publications section includes Local Students Excel at Robotics Championships and Group of High School Students Give Back. The College Tracker section lists several colleges with their application status, such as United States Military Academy (Applied), University of Alabama at Birmingham (Applied), and Auburn University (Accepted by Admission).

Request Digital Badges

Request, earn, and display your digital badges like the SME Membership Badge.

Highlight activities

Add all the things you're involved in like experiences and accomplishments.

Add schools of interest

Showcase the colleges and technical schools you're interested in attending.

Courses, Grades & Files

Complete your digital portfolio by adding your courses, grades, and files such as school projects, recommendations, earned certificates, and more!

*Only high school students have the ability to be rated & ranked on STEM Premier®.
